We love having visitors come to worship and work with the staff team at Esperanza de Ana. We invite you to join in our daily rhythms, get to know our community, and find a place in the desert to meet with Jesus. When you join us on the journey, our faith is encouraged and our burdens are made lighter. We all grow together. Our prayer is that you celebrate the story that God is writing in Peru and return home with a renewed heart to join in God's work wherever He has planted you.

Esperanza de Ana is a registered non-government organization (NGO) in Peru and complies with all national accounting standards in country. We are funded by grant money and are accountable to our affiliate organization, Christian Children's Home of Ohio (CCHO). CCHO is a US registered 501(c)3 and ECFA approved organization with whom we share the same vision, mission and values. Individual donors and church partners support Esperanza de Ana through donations made directly to CCHO. Find out more about their amazing history and ministry at ccho.org.

logistics

Transportation

To Peru - various airlines to Lima. In Peru - private and public ground transportation will be provided.

Accommodations

Esperanza de Ana "building C", built 2008 - 2011, has a large cafeteria/meeting room, kitchen, and 10 bedrooms which are used for staff housing, interns, and teams. There are hot showers. There is NO SMOKING on property or in our community.

Meals

Most meals will be eaten on site. Breakfast is self-serve, lunch is eaten with the children and national staff. Dinner varies. Bring your own high protein snacks. Purified water is provided. Visitors should bring their own refillable water bottle to all meals.

Investment includes

Transportation in country, accommodations, meals, some service project costs, program support. Possible bonfire, trip to fishing village, boat ride on Pacific Ocean, and day in downtown Lima.

Investment excludes

Airfare, passport fees, luggage fees, immunizations, short-term mission insurance (suggested), personal shopping (souvenirs), snacks, and dinner meal on last day of the trip

Investment transfer

Team funding is donated through our affiliate, Christian Children's Home of Ohio (CCHO). **50% sent two months** before team arrival with the **final balance received one month** prior to arrival. **Please send donation to: CCHO, 2685 Armstrong Road, Wooster, Ohio 44691.**

logistics cont.

Health

If you have a health condition or any diet restrictions, let your group leader know before you come.

Emergency communication

Phone number available for urgent communications is 314.809.5348 Group leader will have access to wifi. Bandwidth is limited; **we encourage team members to come prepared to be disconnected.**

Individual spending money

The exchange rate varies. Currently, it is approximately 3.5 soles to 1 dollar. Plan to bring at least \$100 to spend on snacks, drinks, and souvenirs. Money should be in newer bills without marks or tears, and in denominations of 10s and 20s. Dollars and credit cards are accepted most places in Lima.

Exchanging money

You will have the opportunity to exchange \$20 into soles on the first day of the trip. **Your group leader should collect this money prior to trip.** It will be exchanged for you by EA team leaders.

Down-town Lima & Miraflores

Depending on flight times, on the last day of the trip the team will visit tourist attractions like the presidential palace, San Francisco Church catacombs, or other archeological sites. After lunch, the afternoon will be spent shopping at the artisan craft market. In the evening we will try to catch the sunset over the Pacific Ocean. **Team members are responsible to purchase their own dinner on the last day of the trip, fast food or sit down dining are available.**

Individual visits

Contact us for nightly rate and airport transportation cost.

Individual visits are a great opportunity for a spiritual retreat. During regular office hours you are encouraged to use Esperanza de Ana as a place of solitude and silence. You are welcome to bring an activity to do with the children, no gifts please. Anything that gives them an opportunity to use their creativity is encouraged. We always appreciate hands-on workshops where they can learn things in fun and interesting ways. Please send us your activity plan ahead of schedule and bring all materials with you. If you would like to serve with your hands we can always find a small project for you to do. **Do not feel obligated to serve as you might with a mission team. Retreat...read, rest, and pray!!**

community & ministry

Chilca, Cañete

Our small desert coastal town is about 45 minutes south of Lima. It is surrounded by squatter villages known as *asientamientos humanos* / human settlements. Most of the people in these villages are migrants from either the jungle or Andean highlands of Peru. They come to Lima seeking a different lifestyle and often stay because of access to public services. Many still have no electricity and most have no running water, living in thatch and tarp shacks called *chozas*. Children are at risk of malnutrition, child labor, sexual exploitation, and human trafficking. Family cycles of abuse, neglect, and abandonment are common. There is no access to quality education, many parents are still illiterate. Medical care is available, but often not accessed.

A Social Issue

The Bible calls them fatherless. Often their families are passing through crisis and as a result these children suffer neglect and abuse. A prevalent assumption is that an orphan has two deceased parents. But child and family service agencies often use a broader definition: any child who is deprived of parental care. The majority of the world's orphans have families who are merely unable or unwilling to care for them. In addition, poverty and other factors keep these kids from access to quality education.

Our Answer

In place of institutionalizing children, we offer a safe place of healing for the hearts and minds of children while focusing on restoring and preserving family. We provide services for parents to overcome past trauma, improve their role as parent, and strengthen their own family environment. We seek to contribute to the integral development of kids hand-in-hand with the family by providing education scholarships, an after school program, parent counseling and workshops and home-based services.

Discipleship

Through relationship and living life alongside families we make Christ known. Through conversations during lunch, recreation time, or study, we talk about life issues and Jesus' ways. Our staff share the gospel message in both personal testimony and the truth found in God's word.

Partnership opportunity

You will have the opportunity to become a *colaborador* with us. We call our partners collaborators because together we worship and work the ministry of reconciliation as one in Christ, citizens of one country know as the kingdom of God. Find out more at esperanzadeana.org/give.

at Esperanza de Ana

Maintenance projects

Esperanza de Ana has three buildings which include 16 bedrooms, 2 kitchens, 7 classroom spaces, offices, and supporting rooms. There are endless maintenance needs. Everything from sweeping, cleaning, painting and sealing is needed. Plumbers, electricians, and carpenters are always needed.

Construction projects

We are in the process of a several phase building project that will allow us to grow the community we serve on property. This building expansion includes an upgrade to the current utilities, building additional classrooms and multi-purpose spaces, and expanding the cafeteria. Eventually, the front building will need to be remodeled due to its age. As funds are provided building will continue.

Hands-on learning activities

Through games and dynamic activities kids can learn skills and reinforce classroom learning. Teams are encouraged to plan activities with to do with the children in our after-school program. Ages range from 2 to 16. Please prepare something appropriate for each age group. Plan for one activity per classroom. Bring all the supplies necessary to have some great fun with the kids that will contribute to their education.

in the community

Home repairs or construction for program families

Most houses are in desperate need of repair, walls need reinforcement; roof panels need replacement. These projects are done through evaluation of the national leadership team and in collaboration with the program family.

Serve a Teacher

Several Primary & Secondary Schools offer English by teachers who love to have the assistance of a native speaker when possible. We collaborate with our community partners by offering a first language speaker to partner with the teacher in the classroom.

Serve at a local soup kitchen or in the "glass of milk" program

These two government feeding programs are under-resourced. A few folks from your team could provide food for a day then assist in the preparation and serving of meals.

Serve at a senior adult club meeting

We love to collaborate with the coordinator for senior services for the Chilca-Mala Health District. It is a sweet service to attend a senior's club meeting and bring activities that help them keep their minds and bodies healthy and active.

preparation & policy

Routine & Rhythm

We invite teams into our community, into the daily routine and rhythms we have here among the staff, children, and families. For some it feels fast, for some way too slow. Laying down individual preference is important to keeping peace and a healthy pace for all.

- 5 am **Observe silence**, personal devotions when you wake up
Coffee will be ready before breakfast :-)
Dress for day keeping in mind others may still be in devotions
- 8 am **Break silence**, break fast (breakfast)
- 9 am Community worship
- 10 pm Facility quiet hours begin

Missionaries, national staff, and interns

Missionaries, national staff, and interns live and work on-site. They will continue personal routines and office hours, relying on the group leader to manage the team. *Please respect private living quarters.*

Child protection

Visitors stay on the same site as an operating program with children, therefore registered sex offenders and anyone convicted of a crime against a child will not be allowed to have contact with children. Child Protection training is given to all overnight visitors at the start of their visit.

Phone and internet access

Internet bandwidth is limited; only the group leader will have access to wifi. Visitors are encouraged to disconnect, to take the opportunity to fast from technology and focus on Christ. Visitors and their families should be prepared to be out of communication. The US phone available for emergencies is 314.809.5348..

Gift-giving

Giving money or gifts directly to people is against policy as it compromises the staff, undermines the the gospel of Christ, and harms the objectives of the ministry. **No cash or gifts directly given to anyone.** If you feel led to give please speak directly with Jim or Tkay who will be very grateful to receive and register your gift.

Camera usage

We protect the privacy of our students, families, and neighbors. Photos should not be taken without permission. No photos of individual children, and NEVER post a photo on social media with a child's name. Together we will protect the dignity of individuals. You will receive a photo diary of your week.

Evangelism strategy

1. Show respect - look for the beauty in each individual, created in the image of God
2. Build bridges - identify similarities and know cultural differences
3. Speak the right language - the gospel is shared in terms clearly understood cross-culturally

packing

Weather/Dress code

January and February are summertime. The direct sun will burn your skin quickly. Dress in lightweight, long-sleeve or sun-protective clothing. June - September is wintertime, dressing in layers is best. You could start the day with a fleece, a long sleeve shirt, and a t-shirt; be down to a t-shirt by lunch time, and then back to 3 layers as soon as the sun goes down. **No gym/running shorts. Shorts should come to the knee. Cami's should be covered, tank tops modest. Avoid low-cut tight shirts, and holes in pants.**

Luggage

Plan to bring as much luggage as the airline allows. A challenge: try to get all personal items in allowable carry-ons (small suitcase and backpack), and fill large suitcase(s) with up to 50 lbs of donations. Many international flights allow a second 50 lb bag for free, so please check.

Personal items

- Underclothes/socks 7 - 8 days (due to water shortage laundry services are not available)
- Jammies
- 1-2 work pants, 4-5 work shirts
- 1 nice jean/pant and a couple nice shirts for church/events/dinner meal
- fleece jacket and warm pants for cool evenings
- Bible, journal & pen
- Personal toiletries. We provide bedding and towels. **Bring your own washcloth/body sponge.**
- Snacks, lots of your favorite high protein snacks (food kept in the team room or ants in your bed)
- PERSONAL WATER BOTTLE – it will become your constant companion
- Hat or visor for sun, work gloves if you want your own, earplugs (sleeping or construction)

Don't bother with blow dryers, etc. They will blow up without a heavy-weight transformer; voltage converters do not suffice.

Team items

- 5 liquid hand soap and 5 liquid hand sanitizer per team (put in ziploc bags)
- 4 rolls toilet paper per person (minimum) – squeeze as much in as you can in any extra space
- Lots of high protein healthy snacks per person
- Medicines: Benadryl (for allergic reactions), ciproflaxin (doctor's prescription/for diarrhea), Pepto Bismol, acetaminophen & ibuprofen, band-aids and anti-biotic cream such as Neosporin.
- We NEED new bath towels for teams! Please see our [Amazon Wish List](#) for the specific towels that we'd love you to donate. They are quick-drying which you will be grateful with coastal humidity.

donations

Amazon Wish List

Please find our most needed items on our **AMAZON WISH LIST**. We'd really like to replace team towels. It's easiest for us if they are all the same and best for you if they are quick-drying.

Books (Spanish language only)

We need books for our library especially for older children, ages 11 and up, reading series are desperately needed. (No witch/ghost/vampire themes. Rural communities are still very traditional.)

Table Games

Simple table games that do not require reading in English. Examples: Sequence, Sequence Numbers, Racko, Connect Four, Raccoon Rumpus, Chess, Blokus, Rummikub

Toys

Legos, Duplo, Matchbox or Hot Wheels cars (or any quality off-brand—cheap cars don't last a week here), volleyballs, rubber playground balls, and soccer balls!

School Supplies

Construction paper (small and large), tissue paper, old magazines...items on our Amazon Wish List.

Cleaning Supplies

Trash bags: 12-16 gallon kitchen, 32 gallon, and 55 gallon

ITEMS NOT TO PACK

ANYTHING not specifically listed, NO "other" medicines (only children's multi-vitamins), NO adult clothes, NO travel size toiletry items at this time, NO stuffed animals.

first night and morning

Most flights arrive at dark-thirty, between 10:30 pm and 1:30 am. It is about a 1 1/2 hour drive from the airport in Lima, south to Chilca. You will likely be arriving at Esperanza de Ana three hours after your plane lands.

As soon as you arrive

- Unload luggage to take to your assigned room.
- If you have a bag that is all donations, you can leave it in the team room (#106).
- Purified water available in cafeteria, team room (#106), and middle stairwell landing.
- Snacks will be stored in team room (#106) in a provided cabinet. .
- Rooms are assigned. Your group leader will let you know your room number before you arrive.
- Pillow, bedding and bath towel will be folded and ready on your bed.

IMPORTANT

- Do not drink water from the tap!
- Rinse your tooth brush in bottled water, bring mouthwash to disinfect.
- Do not let water get in your mouth while showering!

The next morning

The cafeteria will open at 6am and coffee will be brewing. **Remember we observe silence in the mornings.** We encourage you to find a spot on the first floor benches or pull a chair from your room to the outside walkway, for some personal time with the Lord. Interns, staff, or team members will be setting out breakfast at 7:45am. Team should gather in the cafeteria at 8am where we will break silence, and have breakfast.

Regarding property

- Respect staff living areas
- Do not use back stairway in building C. 2nd floor terrace is not a common area.
- You can flush your toilet paper here! No other personal stuff, though.
- Conserve water by taking one short shower daily and adjusting water flow to a minimum. **If you have a leaking toilet or sink please let us know.**
- We recycle. Please note can for plastic bottles.
- Don't allow anyone in the front gate.
- Lock your door after dark and when you leave the property for long periods of time. (group leader will manage room keys)
